Corpus Christi Water Contamination Incident

Report 3

Reporting Period: 12/14/2016-12/19/2016 @ 1630

Current Situation:

- All Specialists in Poison Information of the Texas Poison Center Network (TPCN) have been instructed to continue to collect additional information on water-related exposure reports originating from Nueces County and Corpus Christi, Texas.
- Residents with health concerns may continue to access 24-hour bilingual medical advice by calling the nation-wide Poison Help hotline at 1-800-222-1222.
- **Today, Texas DSHS epidemiologists and WTRPC staff reviewed the TPCN database to identify additional calls that were related to the incident but not initially coded as such. No calls today.**

Calls received to date:
